

Promotions June Meeting

Promotions met on June 16 with 8 members present.

Old business: Group went over work plan for upcoming Freedom Parade and looked at what still needed to be done. Only 7 entries so far but we decided we needed to work harder at some contacts to join in.

There are a couple people to sing before and the Municipal Band concert is scheduled in Steven's Park after the parade. The committee will contact some vendors to see if they want to have concessions in park. The rest of posters were handed out to be delivered around town.

New Business: Third Thursdays was explained and we went over the work plan that was presented. Group decided to start in August, we felt July was too soon to get it all together correctly for a great kick off. The August theme will pertain to Back to School somehow. We will try to entice GCCC students with some activities. We brainstormed ideas, which will be built into theme for each month. Group was assigned to start talking it up and recruiting bands and musical entertainment and groups to participate. We will work to get together some ideas to present to merchants for activities to do in their businesses to entice people in to shop.

Meeting adjourned. Next meeting July 7, 5:45
